

ALYAZAN TALAL ALJOHANI

PRODUCT & SOFTWARE ENGINEER

Product Design | Full-Stack Development | Human-Computer Interaction

Saudi Arabia | [+966 56 937 6695](tel:+966569376695) | yngsa9@gmail.com | alyazanaljohani.com | linkedin.com/in/alyazanaljohani | github.com/Yazan9-dev

PROFESSIONAL SUMMARY

Human-Computer Interaction graduate who independently designs, engineers, and deploys bilingual digital products across product design, UX/UI, full-stack development, and cloud delivery. Experienced with responsive RTL/LTR systems, secure APIs, relational data, automated testing, and production deployment across Flutter, React, TypeScript, Node.js, NestJS, PostgreSQL, and Cloudflare.

SKILLS

Product & UX: User interviews, surveys, personas, journey mapping, information architecture, user flows, interaction design, usability testing, wireframing, prototyping, design systems, responsive RTL/LTR design

Engineering: TypeScript, JavaScript, Dart, SQL, React, Flutter Web, Node.js, Express, NestJS, Prisma, PostgreSQL, REST APIs, HTML, CSS

Delivery & Cloud: Figma, FigJam, Git, automated testing, authentication, data modeling, Cloudflare Workers, D1, R2, KV, Render, staging and production deployment

PROFESSIONAL EXPERIENCE

GENERAL SYNDICATE OF CARS | Cooperative Trainee | Mar 2025 - Aug 2025

- Designed the product architecture, information architecture, and bilingual UX for Community Service, a multi-role transportation coordination platform connecting charitable associations, the Syndicate, and transportation companies.
- Mapped workflows across beneficiary requests, review, company assignment, fleet and driver scheduling, execution, messaging, notifications, completion, and reporting; translated operational rules into clear states, scoped permissions, validation, and decision-focused dashboards.

SELECTED PROJECTS

STUDYBUDDY | Product Designer & Full-Stack Developer | Oct 2025 - May 2026

- Designed, engineered, and deployed a bilingual academic workspace using Flutter Web, Express, Prisma, PostgreSQL, and Render, with course-aware AI, responsive RTL/LTR layouts, protected APIs, email verification, Google sign-in, and account recovery.

CINEVERSE | Product Designer & Full-Stack Developer | Feb 2026 - Jun 2026

- Built and deployed a bilingual React/TypeScript and NestJS/PostgreSQL platform with explainable film recommendations, music discovery, libraries, playlists, an interactive Canvas universe map, secure HttpOnly sessions, rotating refresh tokens, external API integrations, and automated testing.

COMMUNITY SERVICE | Product Designer & Full-Stack Developer | Mar 2025 - Nov 2025

- Completed and published the training concept as a full-stack web application with role-based workflows for associations, Syndicate review, transportation companies, fleet and driver scheduling, trip execution, messaging, notifications, and reporting.

PULSE | Product Designer & Flutter UI Engineer | May 2026 - Jun 2026

- Designed and published a bilingual city-discovery frontend with 569+ images and 50+ places across responsive routes, filters, cards and lists, opening hours, saved places, plan building, comments, mock-map discovery, and a reusable design system.

ALYAZAN PORTFOLIO CMS | Software Engineer | Jul 2026

- Engineered and launched a bilingual Astro CMS on Cloudflare Workers using D1, R2, and KV, with password and TOTP administrator authentication, recovery codes, CSRF protection, publishing and media workflows, isolated staging/production environments, guarded migrations, audits, and custom-domain deployment.

EDUCATION

BACHELOR'S DEGREE IN HUMAN-COMPUTER INTERACTION | Umm Al-Qura University | Jun 2026

College of Computing

HIGH SCHOOL CERTIFICATE | Bakkah Secondary School for Gifted Students | 2019 - 2022 | **97%**

MIDDLE SCHOOL CERTIFICATE | Al-Balad Al-Ameen Intermediate School for Gifted Students | 2016 - 2019 | **95%**

HONORS & ACHIEVEMENTS

- 3rd Place - "Put Your Dream in Test" Leadership Program Projects - YLC x The John Maxwell Team (2017)
- Mawhiba Multiple Cognitive Abilities Test - 760/880 (2019)

LANGUAGES

Arabic: Native | **English:** Professional Working Proficiency
